## 9 BEST EYE CREAM

Lancôme Rénergie Yeux Multiple Lift, \$135, (02) 9931 8888. This is our total anti-ageing solution for eyes. It has two products in one — a pot of high-tech cream to firm and smooth in the long term and a sheeny balm that works under or over makeup to brighten and de-puff instantly.

## 10 BEST INSTANT FIX

Dior Hydra Life Skin Perfect Pore Refining Perfecting Moisturizer, \$120, (02) 9695 4800. Our latest discovery for making skin look better immediately. It hydrates, plays down shine and makes skin look its "soft-focused" best. Use it alone or under makeup.

## 11 BEST NATURAL SKIN MIRACLE

Trilogy Certified Organic Rosehip Oil, from \$21.95, (03) 9533 1336. This truly is a mini miracle. We've seen what it can do on scarring (from accidents to acne), and everyone we have recommended it to (for dry, sensitive, chapped or ageing skin) raves about it.

## 7 BEST BEAUTY GADGET

Clarisonic Mia Sonic Skin Cleansing System, \$179, (07) 5526 3844. This deep-cleaning sonic brush now comes in an ideal mini travel size. We simply love what this does to the skin. If you need convincing, cleanse as normal and then use this — you will be staggered at the dirt and makeup that still comes off. It's the one gadget you do need.

## 12 BEST EYE MASK

Clarins Eye Revive Beauty Flash, \$52, (02) 9663 4277. A real star. Leave it on overnight if you don't want puffy eyes, or load it up, sit back and relax, and when you take it off 10 minutes later, it's like you've sneaked off for a bit of filler.

## 13 BEST BRIGHTENING TREATMENT

Clear + Brilliant, from \$250 per treatment, (02) 9999 1081. This new mild laser treatment leaves your complexion more luminous and vibrant without the downtime. A numbing cream is applied, followed by a slightly painful 20-minute treatment, so expect redness after (think a touch of sunburn). This subsides the next day, though your skin feels a little sandpaper-like for up to a week. We're not selling it, we know, but trust us: the payoff is poreless skin so crystal-clear you won't need to wear foundation for weeks. For optimal results, try a course of up to four treatments. ▶

**BAZAAR'S TIP FROM THE TOP**  
 "Always double-cleanse — it's the secret to healthy-looking skin. The first removes surface dirt, makeup and pollution. The second deep-cleans the skin."  
 — Sarah Chapman, facialist

## 8 BEST ANTI-AGEING MASK

Chanel Sublimage Masque Essential Regenerating Mask, \$285, (02) 9900 2944. The Sublimage range truly delivers, and it seems that the more tired and dry your skin is, the better the products work. A dream blend of the ultra-luxe and the super-effective.
